

It's Easy To Take

Thin, pale, anæmic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES OF LIME & SODA

is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anæmia.

SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of flesh is necessary for health. You can get it in this way.

We have known persons to gain a pound a day while taking it.

Gunboat Nashville St. Louis, Mo. May, Excursion Rates.

Now on her way to St. Louis, expected there between May 10 and 15. "On a Mission of Instruction" or for inspection by the people of the great West. The Nashville was selected because she is of most modern and improved type, having been completed January 1898. On April 22, 1898, 8 a. m. Gunner Patrick Mullen fired the first shot of the Hispano-American War. He made the first capture on that day. The woman Ventura, a rich prize, the first man wounded was also a nor crew. The Nashville and Northhead did splendid fighting on Southwest Coast of Cuba. During her stay in St. Louis visitors will be given cordial welcome. The Clover Leaf will issue low rate excursion tickets, data will be announced soon as Nashville arrives at St. Louis. Keep in communication with nearest Agent, C. C. Jenkins, General Passenger Agent.

THE TERRIBLE DROPSY Can be Cured.

The Latest Development of Medical Science. \$2.50 Worth of Medicine Sent Free.

R. C. M. BUCK, banker of Fairbault, Minn., had a very narrow escape from death. Six well-known physicians of Chicago and elsewhere had failed to cure him.

"I had broken completely down," he writes. "My head, heart, stomach and nerves had troubled me greatly for years. I feared I would never recover, but Dr. Franklin Miles cured me with his special treatment." "It is now three months since I began my treatment and two months since I stopped taking his medicine. I am entirely cured and able to tend to my usual duties. I am very thankful for the good he has done me and wish that every one who suffers as I did, knew how successful he is in treating dropsy."

Sept. 15, 1898. Mrs. Spring Sowerby, No. 282, 21 Ave. So., Minneapolis, Minn. This new system of special treatment is thoroughly scientific and immensely superior to the ordinary methods. It consists of several remedies carefully selected to suit each individual case and is the final result of twenty-five years of very extensive research and experience in treating this class of disorders. It consists of a curative elixir, tonic tablets, laxative pills and usually a plaster, selected to meet the requirements of each case. Extensive statistics clearly demonstrate that Dr. Miles' New and Complete Treatment is three times as successful as the usual treatment.

The Miles system of Home Treatment is new and remarkably successful. Advice, examination, two dollars and a half worth of treatment with full directions, and 1,000 testimonials sent free. Every ailing person should send a description to their case to Franklin Miles, M. D., L. L. B., 13th floor, Masonic Temple, Chicago. Few physicians in the world have so much confidence in their treatment as to give every patient an opportunity to try it, without charge. Write at once.

DO IT YOURSELF.

It is easy to tell whether your Kidneys are diseased. Take a bottle or glass tumbler and fill it with urine. If there is a sediment—a powder-like substance—after standing a day and night, there is something wrong with the Kidneys. Other sure signs of disease are a desire to urinate often, pain in the back, or if your urine stains linen. There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Chronic Constipation. It quickly relieves and cures inability to hold urine and the necessity of getting up a number of times during the night. It puts an end to that scalding pain when passing urine and corrects the bad effects of whiskey and beer. It is sold for one dollar a bottle at all drug stores.

Send your full post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mention this paper. They will then mail you a trial bottle of Favorite Remedy and a valuable medical pamphlet free, giving full directions for its use. Every reader of this paper can depend upon the genuineness of this liberal offer, and all sufferers from the diseases mentioned above should take advantage of it at once.
